A RAINY DAY IN SWEDEN

Louise asked me to judge a Club show in Sweden some years ago but I wasn't able to go then. So when Louise asked me to come and judge 2012 I said yes. On Friday I had shown my Dog in Dortmund. Our Irish Setter Dog Allessandro Safina got Best Veteran of all Breeds and on Friday evening I went to Sweden.

One hour far from Stockholm I was brought to my little cottage. It was very nice and sweet. In the morning at 8 o'clock I was waken up. When I was looking out of the window it was raining and the show were an outdoor show. I took a short walk to the Showground. It was a beautiful area in the edge of the forest. The show was fantastic organized. Unfortunately it was raining on and off the whole day. Around the showring people had their pavilions and everyone tried to keep the dogs and themselves dry.

There were 73 Irish Setters entered, from puppies till veterans. Dogs and bitches had near the same entries. I was very pleased about the high quality of the dogs. The dogs were styled very nice for the show and the handling were excellent. It was a very pleasant for me to judge those wonderful dogs and I felt happy to judge even though it was raining. In the evening when judging was finished, it stopped to rain. Thank you all people with Dogs for being so nice and for the good atmosphere.

The best bitch I gave to Fairhaven Banchee Barracuda. A 10 years young bitch with a grateful expression. This bitch became BOB for me. The best Dog I gave to Dubliner Mac Mio.

In the evening it was organized a dinner with live music, where I also met Mel Hillocks who would judge the show the next day. We talked a lot about old days and a lot of dogs from the past. The evening was long and very nice.

The next morning it was sunny weather and Mel was judging. I saw her judging the dogs but sadly I missed the bitches because I had to go to the airport after lunch.

I will hold this weekend in my memory with joy and I want to say thank you to all, I had a really nice weekend.

BIR Dubliner Vindruvan BIM VDH CH SE V-11 Discovery's Love Of My Heart

It was a privilege for me to judge your show on 13th May. I had a really enjoyable time and was very well looked after throughout my visit. I had judged once before in Sweden but that was many years ago. I was impressed with the quality of the dogs then and was not disappointed this time either. You have some very lovely dogs of excellent type, which made decisions difficult in some classes. I was very pleased with my principal winners and could appreciate each for their virtues.
My only criticisms would be that in some exhibits Feet could have been better and that some were for me, over-trimmed (looked like clippers had been used).

That said I think you can be proud of your dogs and I hope you all carry on the good work.

BIS
Dubliner Vindruvan

This girl filled my eye for type and quality. Perhaps a little taller than I would normally like but she flowed round the ring as if she owned it. In full coat and gleaming.

Best Dog
Discovery's Love of my Heart

Another superb example of the breed so balanced and sound with a flowing outline so unlucky to meet the girl on top form on the day as I think he is truly lovely.

Both of the above had had to fight their way past two other outstanding specimens of the breed namely

Coppers's Magical Bubble (bitch) and Dubliner Mac Mio (dog) both excellent examples of the breed and as they say on another day decisions could have gone the other way.

Best Veteran
Brilliant Bronze Siofra Little Elf

A lady with many Titles and very well deserved too. Such a sound girl with lots of quality, again a little bigger than I prefer but still gorgeous and the little bit of grey making her even more distinguished. She can still power round the ring with reach and drive and was presented in full coat.

Mel

Thank you so much to the organisers and exhibitors for their warm and friendly welcome to your show. I very much enjoyed my time in your country and having the opportunity to go over your dogs .I found quite a difference in sizes but was impressed with the soundness, you obviously practice hard on the moving!

4-6m Puppy d 1 & Best Puppy Dyrendahl Hot Sensation`s Royal Shiraz really liked this baby boy & thought he was very promising ,he had a lovely body shape & outline , balanced head with good definition, a straight front, good depth of chest & his quarters were good for his age, nice & steady on the move, with a dark rich coat. 2 Johansson Hot Sensation`s Vineyard Shiraz not as settled & well schooled as the winner , also less mature still very much a baby ,which they are! He had a long lean head & dark eye , good neck & shoulders just needs to settle & get his act together. 3 Petersson Hot Sensation`s Wild Ride Shiraz.

4-6m Puppy b 1 Ekholm Hot Sensation`s Barossa Shiraz this little girl had a really balanced head with a sweet expression,well proportioned body with good bone true front & neat feet at the moment she is a little straight in stifle but that could easily be the stage she is at , happy & steady on the move. 2 Svensson Ardamos Fire in my Eyes pretty puppy with a good outline & plenty of substance , well placed shoulders & good depth of chest ,angulation in quarters is good for her age but she is not quite so balanced overall at the moment as the winner.

6-9m Puppy d 1 Hoijer Hot Sensation Fairfax well grown, mature looking boy with a pleasant head , well off for bone & substance, good ribs, strong loin & quarters just carrying a bit too much weight – watch he doesn`t get too heavy. He needs to concentrate & settle on the move. 2 Sandvik Hot Sensation`s Fair Choice a taller rangier puppy not easy to assess as he was a bit too unsettled & not keeping his mind on the job in hand! Slightly upright in shoulder but well angulated quarters.

6-9m Puppy b Holm Fairhaven Olivia Optimizer very attractive puppy throughout, her head needs to break at the moment but the promise is there, lovely length of neck into well angulated shoulders, clean topline, good angulation in hindquarters, she moves towards you nicely but at the moment she needs to firm up behind . I feel there is time for this to come. 2 Dyrendahl Hot Sensation`s Fairytale pretty puppy with a long lean head, balanced throughout her body, well ribbed, deep chest, good strong quarters, not quite as settled as the winner so didn`t always show herself off to advantage either standing or moving. 3 Holm Fairhaven Oude Kaap.

Junior d 1 Olsson Laizas Elliot upstanding young man with a strong masculine head, well made throughout, good reach of neck, straight front & deep chest with well sprung ribs, strong over loin & quarters, in good coat, he moved steadily round the ring with a free stride. 2 Baav Rodkrokens Everybody`s Hero a finer headed dog again with good ribs & depth of chest,firm topline & strong well muscled quarters, just coming into his adult coat.

Intermediate d 1 Ostman Copper`s Mac Bubble compact young man with plenty of potential, really attractive masculine head with dark eye & kind expression, lovely outline to his body as everything is so well put together,he stands straight on his front & has a good front assembly with deep chest & strong loininto well made quarters which he put to good use on the move , presented in good coat & condition. 2 Nilsen & Svensson Kerrylaw`s Guilty of Love another stylish,wellmade young man with an eye catching outline, attractive head with gentle expression & low set ears, long lean neck into gently sloping topline, good depth of brisket, short loin & well angulated quarters,sound steady mover. 3 Josefsson Copper`s Mandelkubb.

ISF-ARKIV

ISF-UTSTÄLLNINGAR 2012

Open I d 1& Best Dog Ahnberg Fairhaven Lovechild I really liked this boy –he did not appear to be the easiest dog to handle & I would have liked to see him handled with a bit more sensitivity to calm him. Beautiful overall shape & outline, masculine head with plenty of work in it, gentle eye & soft expression, adequate shoulders, good bone & substance, deep brisket,short strong loin & well defined , muscled quarters, presented in lovely dark coat & moving soundly covering the ground with enthusiasm. 2 Rimmenstrand Copper`s Pop the Bubble another really well made dog, he has an attractive head with a kind expression, good angulation fore & aft, balanced throughout with no exaggerations, would just like to see him put in a bit more effort on the move. 3 Eriksson Copper`s Wash `n` Go.

OpenII d 1 Hansen Copper`s Art of Bubbles a dog with a well chiselled masculine head, kind eye & soft expression, good bone & feet with straight front, gently sloping topline, deep brisket & well constructed hindquarters used well on the move, unfortunately short of tail feathering so this does tend to unbalance the overall picture, 2 Svantesson Kerrylaw`s Fullfilled Wish stronger made dog but still very well constructed, nothing exaggerated about him, he has a pleasing head & expression ,good angulation in his front & quarters, could have moved with a bit more drive, was in good coat & condition. 3 Lind Fairhaven Hellacopters.

Premie d 1 Ostman Copper`s Magiska Under another compact well constructed dog so typical of this kennel, still only a youngster so has plenty to come, typey head with a gentle expression,good front assembly, deep brisket, gently sloping topline & adequate quarters though I would like to see more second thigh, but he moved beautifully around the ring with style, presented & shown to advantage, as were all this owners dogs ,he was close up for best dog. 2 Ronnebro VDH CH SV-11 Discovery`s Love of my Heart stronger made boy but with all the essentials, masculine head, ample bone & substance, well arched neck, firm topline & strong well angulated quarters, presented in good coat & condition & moving round the ring with power & authority. 3 Eriksson & Ostman Copper`s Prat Bubbla.

Senior d 1 Jonsson CIE VDH CH SV-08 KBHV-07-09 Don`t Blame Me this dog looked really for his age & was in absolutely great condition, a strong boy who was balanced throughout, gentle eye & expression, good body properties with sufficient angulation & depth of brisket, presented in good order & moving soundly. 2 Hoijer Hot Sensation`s Maraschino another one looking really for his age, there must be some thing in the air over here! A more compact type of dog but never the less pleasing construction just not as sound & controlled on the move. 3Walsh Inishannon Macroom.

Junior b 1Gustafsson Copper`s Magic Touch 2 Ostman Copper`s Magic Puzzle these two are litter sisters & most of the same comments apply, both have sweet pretty feminine heads, good necks & front assembly, firm toplines & quarters developing ok for their age, both are happy free movers, just prefered the head & balance of 1 on the day but I`m sure they will change places on another day. 3 Hedlund Laizas Eidelwisse.

Intermediate b 1 Backman Copper`s Sockerkringla loved this girls head & expression, lots of work yet still cheeky & feminine, she has a stylish outline, good bone & feet, gently sloping topline & good quarters – at the moment she needs to tighten in front- moved happily & freely round the ring. 2 Svantesson Bright Souls Jewel in the Crown a much bigger type of girl very mature for her age, ample bone & substance, good depth of brisket, strong hindquarters & a sound free striding mover , watch she doesn`t get too heavy.

Open I b Ostmann Copper`s Wine n Roses another typey bitch from this kennel,they are often so similar it`s hard to say something different about them, stylish outline attractive feminine head with sweet expression, good reach of neck into good front assembly, she has excellent ribs,true front & neat feet strong quarters used well on the move, presented in good order as were all this owners dogs. 2 Stenfelt Riverdene Darling Daughter lovely bitch built on racey elegant lines, pretty balanced head with dark eye & sweet expression, low well set ears, good reach of neck, gently sloping topline, deep brisket, good lay of shoulder, strong loin & quarters,free striding mover, just not inher best coat but that will come. 3Tamm Copper`s Bubbleribubblera

ISF-UTSTÄLLNINGAR 2012

Open II b 1 Persson Highland Flowers Hot Fireglow nice type of bitch appealing head with plenty of chiselling giving a gentle expression, well proportioned body with no exaggerations, deep brisket & strong sound mover. 2 Holm Fairhaven Engeline elegant & racy type of bitch with plenty of scope, pretty head & expression, good shoulder & hindquarter angulation, deep brisket with forechest in lovely coat & condition, just not as positive on the move as the winner. 3 Baav Rodkrokens Double Passion.

Premie b 1 Best Bitch & Best In Show Holm Fairhaven Louise Mountbatten for me this girl was the star of the show, racy, elegant & stylish appealling in head & expression, long well arched neck set into good shoulders & front, deep well sprung ribs, firm loin & quarters with good bend of stifle & neat hocks . Happy free striding mover using her well set tail as she strode round the ring, all finished off with a gleaming coat, I was interested to find out later that she was litter mate to my best dog. 2 Backman CIE JWW-08 Copper`s Magical Bubble another lovely bitch so typical of her breeding beautifully presented & handled, sweet head, compact well proportioned body with no exaggerations, well ribbed up &carrying the right amount of weight, in good coat, moving out happily & freely.

Senior b Persson – Spansk Hot Sensation`s Bell Flower what a striking girl looking so good for a senior citizen, still in great condition, really pretty well chiselled head, beautifully put together throughout her body, with a deep chest, firm topline & strong quarters used well on the move, in great coat & condition. 2 Walsh Inishannon Lovely-Lee more substantially made bitch with a pleasant head & expression , straight front, firm topline,strong loin ,good depth of chest & spring of rib, sound happy mover .3 Nilsen & Svensson Danamoor Juicy Fruit.

Veteran b 1 Holm Nord VV-11 VEUW-11 Fairhaven Banchee Barracuda mother of my best bitch and very similar in type therefore a lot of the same comments apply, pretty head with a soft gentle expression, good body properties throughout & still looking racey & elegant even in her later years, shown in good coat & condition, moving freely & enjoying herself. 2 Sandvik LP1 Hot Sensation`s Wall Flower another holding her years well & presented in good coat & condition , she has an attractive head, balanced & expressive, super rib with depth, firm topline & strong loin ,not quite the quarters of the winner.

Progeny & Group classes were both won by the Copper`s team & kennel they are such a strong type that there`s no denying their breeding even to how well they move together, so in unison and control their owners and breeder must be very proud of them all.
