I was Born in Leicestershire in the UK and, unusually, I come from a family not involved with dogs or animals at all. During my childhood I had a succession of outdoor pets, rabbits, guinea-pigs, tortoises etc. and eventually, after a lot of pestering, my parents allowed me to have a dog, a small Yorkshire Terrier when I was 14 years old. My first recollection of Irish Setters was, as a teenager, seeing this beautiful red dog running through the bracken in a country park near to our home one late summer evening. This beautiful, romantic image of colour and elegance in the sunset stayed with me forever and is why I fell in love with Irish Setters. I told my parents that when I had my own home I would fill it with dogs and, guess what? I did!

My Bardonhill kennel was founded in 1970 and my first litter was born in 1972 when I was living near to Bardon Hill in Leicestershire - hence the origin of my kennel name. After a succession of Irish Setters, none of which were of the top show quality I was seeking, I began to look around to see if I could find a nicely bred foundation bitch and start again. My search ended in 1978 when I purchased a lovely bitch puppy from Barbara Birch and it is from this highly influential brood bitch, Moyna April at Bardonhill, that all my current stock descends.

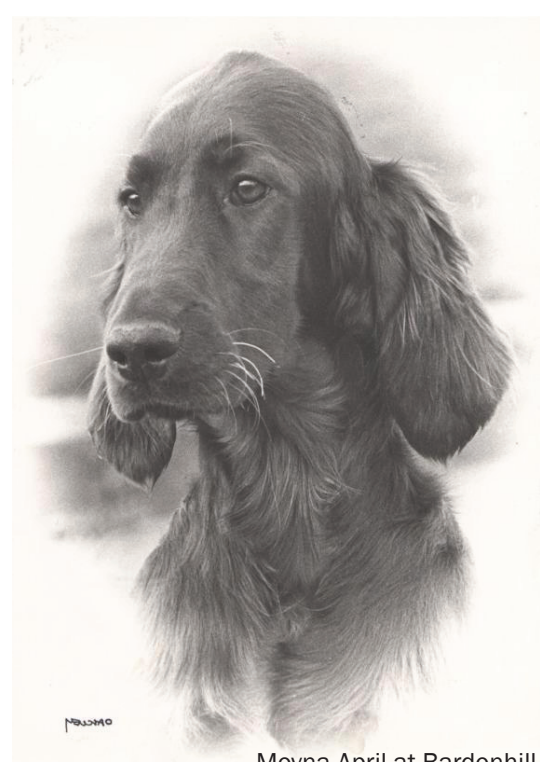

To date I have bred 9 UK Show Champions and many other CC winners. I have been lucky enough to have been awarded Best of Breed twice at Crufts, the first time with Sh.Ch. Bardonhill Kiss-A-Gram in 1990 and the second time with Sh.Ch. Shenanagin Some Might Say its Bardonhill JW in 2002.

Nowadays we live in the country in Lincolnshire with our animals - not only Irish Setters but also Smooth Collies, several rescue cats and rare breed Thrianta rabbits and chickens.

Together with my partner, Ian Newsham, we run the websites www.bardonhill.com which serves the Irish Setter community and also my own website www.bardonhill.co.uk.

I look forward to judging in Sweden in July 2016
Marita Bott (Bardonhill)
