- 5 Dubliner Merlotta

UPPFÖDARGRUPP (2 Grupp)

- 1 HP Kennel Copper's
- 2 Hp Kennel Dubliner

I had a wonderful day judging at the ISF Sweden 2019. Thank you to the club for inviting me. The show was held in a lovely park. We arrived to find the exhibitors set up around the ring in their gazebos. This makes the show feel special with a friendly club atmosphere. The weather forecast did not sound too promising, but we were lucky and it did stay mostly dry.

It is a shame there were not many puppies entered. The two puppies were young, and I am sure will mature on nicely.

The dogs in general were of good construction and bites were all correct. When I judge, I am looking for a racey dog who is full of quality and has lots of breed type. Along with this they have to have good balanced construction which should enable them to move correctly showing reach and drive.

I was impressed in general with the musculature of the dogs. My main winners in the dogs presented good outlines stacked and when they moved they showed good footfalls showing drive.

The best dog on the day impressed with his construction and movement he was presented in super condition. I also liked my junior dog winner very much and look forward to seeing him mature. My veteran dog had the best head of the day. Made me smile to look at him.

My bitches were also presented very well. My Best & Res Best Bitch won their places on their movement both showed balanced movement, reach and drive.

The bitch was BIS, I loved her strength but totally feminine with a very pretty head. Shown in good coat and well muscled, thank you for bringing her.

My open bitch winner stole my heart she was so pretty and her head was gorgeous. The junior bitch class was exciting, three lovely young girls, which is good for the breed going forward.

I would like to thank Lena, my excellent steward, Laura for writing and the exhibitors for bringing their dogs and accepting my decisions so gracefully.

*Tania Gardner, kennel Danwish
Judge*
