Rionore Irish Setters

I started with my first Irish Setter in 1979 learning at the local Exemption and Open Shows. Personal circumstances took me out of the ring but I always had at least 2 irish by my side. A CC, RCC and SBN allowed me to be grandfathered to award CCs in my beloved breed. I have been handson over 450 Irish Setters at General, Gundog and Breed Club Open Shows and had the pleasure to judge other gundog breeds along the way to Group level at Open Shows. I am currently at JEP Level 4 in Irish Setters and Level 2 in Pointers, Gordon Setters, HVs, HWVs, English Springers and Spanish Water Dogs with the Royal Kennel Club.

I serve on the Committee of the Irish Setter Breeders Club where, amongst my duties, I am responsible for the advertising in our Yearbook. It is a privilege to give back to the breed I love and an honour to be asked to judge at your anniversary show.
